"LET'S GET PARENTING"..... SCHOOL & PARENT PARTNERSHIPS

1. **School Attendance:** Attendance at school is compulsory. All absences must be explained in writing on the day the learner returns. If a learner is absent for 3 or more days a medical certificate is required. Absenteeism for 10 consecutive days will result in the learners being removed from the school register. Should the learner then return to school, the parent will have to complete new application forms
2. Would we be able to reach you in an **emergency?** Please ensure that your contact number is written into your child's diary. All learners should know at least one contact number. The office must be notified should contact details change.
3. **Homework:** This is an extension of classwork. It is the responsibility of all learners to complete homework and parents are accountable for ensuring this happens.
